

SENIOR SEO SPECIALIST

FILIPPO DANESI

WORK EXPERIENCE

NUR Digital Marketing / SEO Specialist (Tech Lead)

2022 - Current / Pisa, Italy

I lead and execute advanced SEO strategies, leveraging AI-driven solutions to maximize online visibility and content performance. With deep expertise in the convergence of SEO, content, and emerging technologies, I spearhead research initiatives to integrate cutting-edge AI applications, enhancing our content marketing efficacy. I collaborate with cross-functional teams to ensure our SEO methodologies remain industry-leading and aligned with overarching business goals.

Tesecom - Digital Marketing Agency / SEO Specialist

2020 - 2022 / Pisa, Italy

I architected and executed comprehensive SEO strategies, significantly elevating search engine rankings and driving substantial organic growth. I optimized content and refined keyword strategies to maximize performance across diverse platforms. I also spearheaded cross-functional collaboration to ensure seamless integration of SEO with broader online advertising initiatives, enhancing overall digital marketing efficacy.

Brand-On Digital Marketing Agency / SEO Specialist

2019 - 2020 / Pisa, Italy

I drove e-commerce revenue growth through strategic SEO implementation and user experience optimization. Leveraging advanced market analytics, I identified key opportunities to increase targeted traffic and engagement. I led cross-functional collaborations with development teams to enhance site architecture and usability, resulting in significant improvements in conversion rates and overall profitability. My data-driven approach and technical expertise consistently delivered measurable ROI across multiple e-commerce platforms.
